RRA
ROCK RIVER ARMS

PERFORMANCE TUNED

RRA HISTORY

In 1996, brothers Mark and Chuck Larson founded Rock River Arms in an 1,800 square foot shop in Cleveland, Illinois. Mark and Chuck together brought over 40 years of varied experience in the firearms manufacturing industry into their new endeavor. Rock River Arms soon developed a reputation as one of the finest builders of hand fitted custom 1911 pistols, and their NM frames and slides set new industry standards for tight tolerances, fit and finish.

The brothers soon turned their manufacturing expertise and attention to detail into producing custom .223 caliber "AR" style rifles. Their initial focus on tightening up tolerances and improving the fit, finish and reliability of their rifles was rewarded as the Rock River Arms NM A2 Rifle quickly gained popularity among high-power shooters.

Today, operating out of approximately 50,000 square foot (and growing) state-of-the-art facilities in Colona, Illinois, the company is producing a full line of custom rifles, parts and accessories, all built with the same focus on providing the finest fit, finish and function at a reasonable price.

The quality and reliability of Rock River Arms firearms continues to win new admirers. The U.S. Drug Enforcement Administration (DEA) and Federal Bureau of Investigation (FBI) put a variety of different manufacturer's rifles through an exhaustive trials process, and based on those trials awarded Rock River Arms with a 5 year contract as their primary supplier. Since that time Rock River Arms has received additional federal contracts.

Rock River Arms remains committed to continuing to provide it's civilian, law enforcement and military customers with the kind of custom products and services on which it's reputation has been built.

WARNING: Products offered for sale in this catalog can expose you to chemicals which are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information, go to www.p65warnings.ca.gov.

RRA WARRANTY INFORMATION

Rock River Arms offers the following warranties on its products: Complete LAR Rifles, LAR Pistols, LAR-PDS™ Pistols/Carbines, Upper Halves, and Lower Halves carry a Limited Lifetime Warranty against failure of factory parts and labor. RRA 1911 Pistols carry a One Year Limited Warranty against failure of factory parts and labor. If you have any questions concerning the warranty on your Rock River Arms rifle, pistol, upper half or lower half, please call Rock River Arms for clarification.

RRA ORDER/RETURN INFORMATION

All international orders are subject to the laws of the United States, the destination country, and any applicable international agreements. Further, some products sold by RRA are not manufactured by RRA and may be subject to sales restrictions by the manufacturer(s) of those products.

All international sales are subject to all legally required documentation and approvals. In most cases this will include a DSP-83 End User Certificate, an End Use Statement from the end user, an actual order, and either a government-issued import license or statement that an import license is not required. Other documentation may be required. All such sales are subjects to all required approvals by the U.S. government.

Once submitted, all orders are final. Changes requested after order submission, including configuration, subs, etc., will result in a reprocessing charge. Complete rifles shown with standard accessory package. Please see our website for current Lead Time and Delivery Estimates.

RETURNS: All returned and/or refused products are subject to a 20% restocking fee. The restocking fee will not apply if the return is the result of an error by Rock River Arms. Shipping fees are not refundable. All returns must be preapproved by RRA, must be issued a return authorization (RMA), and must be returned in new condition within 30 days of order fulfillment. Please contact RRA Sales/Customer Service toll free at 866-980-7625 for any additional information and/or return authorization.

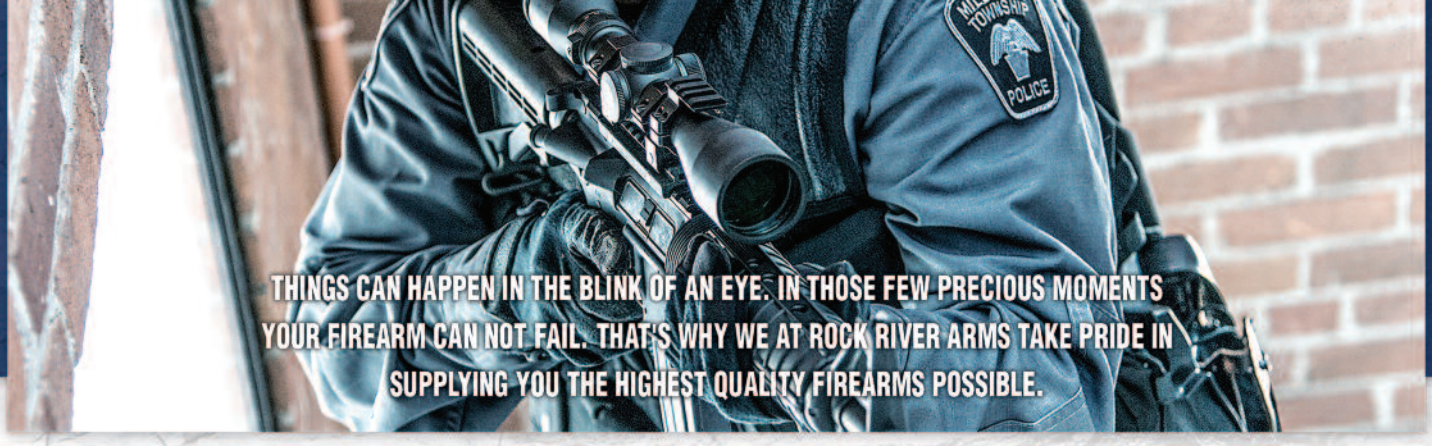

All orders must comply with all applicable Federal, State and Local laws. **All prices, configurations and specifications are subject to change without notice.**

RRA LASER ENGRAVING

We are now laser engraving Rock River Arms Inc. on all of our upper receivers. Our factory-built complete upper halves and complete rifles are engraved with Rock River Arm's trademarked logo. Since 2010, most RRA barrels are caliber and twist rate marked on the forward portion of the barrel.
